ABOUT VICKI

An accomplished leader with over 20 years' of experience in highly-matrixed organizations, Vicki Wright-Hamilton is an internationally renowned technology executive, strategic and multidisciplinary change agent, author and visionary for operational excellence.

Vicki currently serves as President & CEO of VWH Consulting. As a consultant to the world's most exclusive brands, Vicki is adept in partnering with executive leadership to provide coaching while developing a broad range of organizational improvements.

In an effort to expand her reach and help even more people, Vicki recently published *Game Face: Corporate Success Strategies of a Trailblazing Tech Warrior*. *Game Face* gives readers a peek into her personal and professional life.

Vicki shares the strategies for creating a winning personal and professional life. While allowing readers to follow her story as she navigates being an executive, wife and mother, a minority woman in a male-dominated industry. Mrs. Hamilton also offers individual coaching where she guides her clients through the process of building their very own personal and professional life strategies.

Vicki is the former President of Women in Technology and currently serves on the organization's Advisory Board. Mrs. Hamilton also serves on the Board of Growing Leaders.

SIGNATURE TOPICS

Organizational Change Management

Organizational change often has a far-reaching impact on corporate culture, business and our most valuable assets – human resources. In this session, you will learn how to help your employees understand the cause and impact of organizational change; as well as the importance of their role in the organization in order to create buy-in and team collaboration.

The Power of Inclusion

Inclusion has become a buzz word of sorts in corporate environments. Most businesses think of inclusion from the perspective of race, religion, gender and sexual orientation. However, inclusion is much more than that.

Game Face: Managing Your Authentic Self At Work

Leverage your GAME FACE to secure the win!

Empower yourself, re-energize your life by using your inner strength to be your authentic self even with a GAME FACE on!!!

Winning in a Multigenerational Workplace

Managing a multi-generational workforce is challenging for even the most talented leader. How do employers manage the needs and expectations and needs of gen-exers, boomers and millennials all in the same workplace. In this session. Award-winning change management executive Vicki Wright-Hamilton will outline a 4-step plan for both embracing and succeeding as a manager when your team has wildly different approaches to the job.

“Since beginning my work with Ms. Vicki, she has been a professional life coach, confidant, moral compass, and has become one of my favorite people. She has a very distinctive way of balancing a careful listening ear while sharing her wealth of experience and ideas...”

– Monteil Weeks

“I am very fortunate to have been coached and mentored by Vicki. She has coached me through hearing the hard things, taking accountability for them, and determining my actionable next steps which has always kept me moving forward.

– Melissa Koehler

“Vicki Hamilton is an extraordinary leader who took the time to help me navigate my career in technology. She taught me how to prepare for the unknowns in the digital ecosystem while following my passion. [...] She has shown me that a true leader does more than drive multiple strategies – a true leader engages and empowers their organization.”

– Tara King-Hughes
